Sentech™
Medical Systems, Inc.

Quality Pressure Wound Treatment with a Prospective Price.

Delivering **quality patient care** under today's cost constraints can be a daunting task. That's why we have the PC. Sharing many of the same features as our popular premium pressure wound systems, the PC (which stands for Primary Care) offers two-low cost alternatives: the **PC Alternating Pressure Relief System**, or the **PC Low Air Loss system**.

Using **leading-edge technology and materials**, the PC is engineered by SenTech to insure **quiet, reliable operation** that won't fail you or your patient .

Better than any other product in its class, both of SenTech's PC support systems provide **aggressive pressure wound treatment** that benefit not just your patients, but your budget too.

The PRIMARY CARE Mattress Replacement Includes:

- 20 individual air cells
- 5 1/4" inflated cell height, 80"L x 36"W
- Foam mattress integrated beneath air cells
- Flexible straps to secure to any bedframe
- Supports patients up to 280 lbs.
- Water resistant, vapor permeable, anti-shear coverlet with plush quilting
- Zippered, sealed design

- **Two affordable systems** to choose from – *Alternating Pressure Relief or Low Air Loss*
- Pressure sensor technology insures a consistent, **accurate** desired amount of pressure.
- Both systems are **customizable** for individual patient needs – just by setting patient weight.
- Alternating Pressure Relief **provides complete deflation of every other air cell on a 5 minute cycle.**
- Low Air Loss system features a series of low air loss vent hoses, and allows for **adjustable rate of airflow.**
- Both systems include a quilted, breathable, **anti-shear**, water resistant top cover.
- **Rapid deflate CPR pull** conveniently located at the head of the mattress to aid in quick rescues.
- **Energy efficient** – equivalent to less than that of a 25-watt bulb.
- Lightweight, **service-free.**

Specifications:
 Weight: 6 lbs.
 Dimensions: 8"W x 3 1/2"D x 7 1/2"H
 Electrical: 110V/60Hz, .25 Amps
 Warranty: 2 years on compressor
 1 year on electronics
 1 year on softgoods
